## ICE SKATING AND CULTURE AT THE QUEEN'S HOUSE

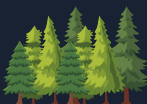

**Skate, learn, and explore at London's only UNESCO World Heritage Site ice rink!**  
**This year schools can enjoy the magic of the Queen's House Ice Rink for just £5 per skater. The perfect festive trip that blends fun, culture, and community spirit in one of the capital's most stunning locations. To make things easier (and safer!) for younger skaters, skate aids and helmets will be available, so everyone can enjoy the ice with confidence.**

**BOOK YOUR SESSION**

**THE FIRST 20 SCHOOLS TO APPLY WILL RECEIVE FOUR VIP SKATING EXPERIENCES (WORTH OVER £100) TO USE FOR FUNDRAISING, RAFFLES, OR PRIZES!**

**As part of Tamarisk Events' environmental goals, we're planting 2,000 trees this season and inviting schools to take part. Let us know how many trees you'd like to plant, and we'll be in touch with details.**

*\*Please complete a risk assessment before booking and ensure the correct number of supervising adults.*
