

SCHOOLS WINTER EXPERIENCE AT THE QUEEN'S HOUSE ICE RINK

THE ULTIMATE SCHOOL DAY OUT THIS WINTER!

SKATE, LEARN, AND EXPLORE AT LONDON'S ONLY UNESCO WORLD HERITAGE SITE ICE RINK!

This year, schools can enjoy the magic of the Queen's House Ice Rink with a special discounted ticket price of just £5 per student!

Available from November 23 to December 18, Mondays to Fridays, school trips to the Queen's House Ice Rink offer students a truly unique experience, skating in the heart of a UNESCO World Heritage Site with breathtaking views of London. It's a fun and active day out that combines festive excitement with cultural enrichment. A truly magical way to create lasting memories for your class – and teachers and chaperones skate free. To make the experience even easier for younger skaters, skate aids and helmets will also be available free of charge.

To make the most of your visit, you can combine your skating session with a dedicated schools session at Royal Museums Greenwich. It's a fantastic way to create a fun, culturally rich day that blends history, learning, and festive activity. Check out all that's on offer for schools at the Museums, and book your sessions directly [here](#). This offer also doubles as a fantastic fundraising opportunity: PTAs and schools are welcome to set their own ticket price for families, keeping the difference to support school initiatives, trips, or projects.

To book your school's slot, please contact us at schools@thequeenshouseicerink.com
